

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF CIVIL AND ENVIRONMENTAL ENGINEERING

Post Specification

Research Assistant Professor in Cement and Concrete Science (Ref. 21011201)

The Department of Civil and Environmental Engineering enjoys a high reputation in conducting world class research and has well established connections with industry partners and government agencies in Hong Kong. It offers academic programmes at various levels. In addition to PhD and MSc programmes, the Department currently offers 4 undergraduate programmes, namely BEng (Hons) in Civil Engineering, BEng (Hons) in Environmental Engineering and Sustainable Development, BEng (Hons) in Structural and Fire Safety Engineering and BSc (Hons) in Environmental and Occupational Safety and Health. The Department currently has about 55 faculty members and 35 technical and administrative personnel, and is committed to international standards of excellence in teaching and research. Please visit the website at <http://www.cee.polyu.edu.hk> for more information about the Department.

Duties

The appointee will be required to:

- (a) conduct research as the main duty and actively pursue external research grants, such as General Research Fund, as Principal Investigator or Co-Investigator in the related areas;
- (b) provide quality teaching at undergraduate or postgraduate level in the related areas;
- (c) co-supervise student projects and theses;
- (d) contribute to departmental service; and
- (e) perform any other duties as assigned by the Head of Department or his/her delegates.

Qualifications

Applicants should:

- (a) have a doctoral degree in Cement and Concrete Science or a related discipline;
- (b) have demonstrated promise of a high level of creative ability in research and teaching in some subdivisions of his/her field;
- (c) be able to demonstrate effective classroom teaching skills; and
- (d) be highly proficient in written and spoken English.

Remuneration and Conditions of Service

A highly competitive package including a medical benefits plan and a gratuity payable upon completion of the term which is normally for three years initially, with possibility of extension for another three years. Applicants should state their current and expected salary in the application.
