

HONG KONG POLYTECHNIC UNIVERSITY

SCHOOL OF NURSING

Post Specification

Part-time Nurse (Ref. 21011206)

[Appointment period: twelve months initially, with possibility of further appointment]

Duties

The appointee will assist the project leader in the research project - “Effectiveness of the professional-led support programme using a mobile application versus phone advice on patients at risk of coronary heart disease – a randomized controlled trial (phase 2)”. He/She will be required to:

- (a) support development of the app;
- (b) develop assessment checklist and data collection form;
- (c) coordinate the client recruitment and data collection procedure;
- (d) conduct health talks, and perform health assessment and simple blood test;
- (e) carry out preliminary data analysis; and
- (f) perform any other duties as assigned by the project leader or her delegates.

Qualifications

Applicants should have:

- (a) an honours degree in Nursing or Health-related disciplines;
- (b) a Certificate of Registration (Part I) and a valid Practising Certificate issued by The Nursing Council of Hong Kong;
- (c) at least five years of working experience;
- (d) experience in coordinating research projects;
- (e) proficiency in SPSS and Microsoft Office software including Chinese word processing;
- (f) a good command of both written and spoken English and Chinese; and
- (g) good interpersonal and communication skills.

Applicants are invited to contact Dr Eliza Wong at tel no. 2766 6544 or email eliza.wong@polyu.edu.hk for further information.

Remuneration

The remuneration rate is HK\$190 per hour.
