

**THE HONG KONG POLYTECHNIC UNIVERSITY**

**DEPARTMENT OF AERONAUTICAL AND AVIATION ENGINEERING**

**Post Specification**

**Training Instructor** (Ref. 21012103-IE)

**Duties**

The appointee will be required to:

- (a) undertake instructional duties as directed by the Chief Training Instructor;
- (b) remain current within their specialties with regard to changes in technology and the approved syllabus;
- (c) undertake annual refresher training and professional development as directed by the Chief Training Instructor;
- (d) contribute to programme/course planning, administration and development;
- (e) prepare progress tests and monitor student progress;
- (f) assist in the coordination of student activities and practical training; and
- (g) perform any other duties as assigned by the Head of the Department or his delegates.

**Qualifications**

Applicants should have:

- (a) a recognised degree;
- (b) at least five years of aviation experience either in an engineering or flight crew role;
- (c) a proven record in instructing professional pilot training courses within an approved Flight Training Organisation;
- (d) attendance record of a recognised course in instructional techniques;
- (e) effective classroom teaching skills;
- (f) a strong commitment to excellence in teaching and professional service; and
- (g) qualification which are accepted by the Hong Kong Civil Aviation Department Flight Standards Division.

Preference will be given to the holders of an Airline Transport Pilot's Licence (ATPL) or Aircraft Maintenance Engineer's Licence issued by a recognised regulatory authority.

## **Remuneration and Conditions of Service**

A highly competitive remuneration package will be offered. Initial appointment will be on a fixed-term gratuity-bearing contract. Re-engagement thereafter is subject to mutual agreement. Applicants should state their current and expected salary in the application.
