

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF HEALTH TECHNOLOGY AND INFORMATICS

Post Specification

Technical Officer (Ref. 21021903-E2)

Duties

The appointee will be required to:

- (a) assist in the coordination of the smooth running and maintenance of both the teaching and research laboratories of Medical Laboratory Science;
- (b) prepare reagents, samples and equipment, and perform demonstration for students in practical classes;
- (c) order chemicals, consumables and equipment, and assist in monitoring the budget of the laboratories, etc.;
- (d) provide technical assistance to research and project students;
- (e) assist in the implementation of Health and Safety policies of the University;
- (f) check and update the stock and inventory, and be responsible for the maintenance of equipment; and
- (g) perform any other duties as assigned by the Head of Unit or his delegates.

Qualifications

Applicants should have:

- (a) a recognised degree in Biomedical Science or an equivalent qualification;
- (b) at least five years of relevant post-qualification experience in Haematology and/or Cellular Pathology; and
- (c) an excellent command of both written and spoken English and Chinese.

Preference will be given to those with higher academic qualifications and good supervisory experience.

[Applicants who have responded to the previous advertisement need not re-apply.]

Remuneration and Conditions of Service

A highly competitive remuneration package will be offered. Initial appointment will be on a fixed-term gratuity-bearing contract. Re-engagement thereafter is subject to mutual agreement. Applicants should state their current and expected salary in the application.
