

THE HONG KONG POLYTECHNIC UNIVERSITY

SMART CITIES RESEARCH INSTITUTE

Post Specification

Scientific Officer (Ref. 21041501-E2)

Duties

The appointee will be required to:

- (a) provide related technical services and support to researchers;
- (b) support research and project applications for the Research Institution;
- (c) promote the Research Institute;
- (d) provide support for knowledge transfer of the technologies developed in the Research Institute;
- (e) provide support for academic publication work;
- (f) take part in liaison work with internal and external parties; and
- (g) perform any other duties as assigned by the Director or his/her delegates.

Qualifications

Applicants should:

- (a) have a good honours degree in Geomatics, Computer Science, Urban Science, Geography or a related discipline. Preference will be given to those with a higher degree;
- (b) have at least five years' relevant post-qualification working experience in providing assistance to projects and research activities;
- (c) be well-versed in the latest IT, geo-informatics, urban science, land survey or geography;
- (d) have good analytical, interpersonal and communication skills; and
- (e) have a good command of both written and spoken English and Chinese, with fluency in Putonghua being an advantage.

[Applicants who have responded to the previous advertisement(s) need not re-apply.]

Remuneration and Conditions of Service

A highly competitive remuneration package will be offered. Initial appointment will be on a fixed-term gratuity-bearing contract. Re-engagement thereafter is subject to mutual agreement. Applicants should state their current and expected salary in the application.
