

Master of Medical Imaging (55006)

Human Anatomy & Physiology:

Sample Accepted Undergraduate Pre-requisite Courses

Requirements: Human Anatomy (3 credits)
Human Physiology (3 credits)

University/ College	Course code	Subject	Credits	Subject Coverage	Remark
Athabasca University	BIOL 235	Human Anatomy and Physiology	6	Both	
Excelsior College	BIO 115	Anatomy and Physiology I	3	Both	Applicants must take both <i>BIO115</i> and <i>BIO116</i> courses to fulfil the total of 6 credits of human anatomy and physiology requirements
Excelsior College	BIO 116	Anatomy and Physiology II	3	Both	
Brigham Young University	CELL 205	Human Biology	3	Human Physiology	
Brigham Young University	CELL 210	Human Anatomy	3	Human Anatomy	
Southern New Hampshire University	/	Human Anatomy and Physiology I	/	Both	Applicants must take both <i>Human Anatomy and Physiology I</i> and <i>Human Anatomy and Physiology II</i> courses to fulfil the human anatomy and physiology requirements. Verified certificate issued by the course is required.
Southern New Hampshire University	/	Human Anatomy and Physiology II	/	Both	
Western University	KIN 2222 / HS2300A	Systemic Approach to Functional Human Gross Anatomy	/	Human Anatomy	
University of Hong Kong	BIOL3205	Human Physiology	6	Human Physiology	
Keiser University	BSC 2085C	Human Anatomy and Physiology I	4	Both	Applicants must take both <i>BSC 2085C</i> and <i>BSC 2086C</i> courses to fulfil the human anatomy and physiology requirements. Verified certificate issued by the course is required.
Keiser University	BSC 2086C	Human Anatomy and Physiology II	4	Both	
University of Reading	FB1PN	Introduction to Human Physiology and Nutrition	10 ECTS*	Human Physiology	

Notes:
Candidates must seek approval from the programme panel for any prerequisite courses not listed in the table above.
Please submit the following details for consideration:

- Course information (including institution, course title and course Link)
- Syllabus or course outline
- Certification or proof of completion

For a course to be considered, it must include a proctored exam component. Courses without a proctored assessment will not be accepted.
