## Rules & Instructions for Users

1. All PolyU students are eligible to use the IC Student Computer Room (W207 & U204c). Users should present their staff / student ID Card when entering the Room.
2. Use of facilities in the ICSCR by individuals is on a first come-first-served basis. No reservation of seats by any means (including books or other materials placed on desks and / or seats) is allowed.
3. Users should keep the ICSCR clean and tidy. Eating and drinking (except water) is not allowed in ICSCR.
4. Please be considerate to other users and avoid causing disturbance to other users in the ICSCR.
5. Please back up your data or files and do not save any files / documents to the computer. Your data will be lost after the PC is powered off or rebooted.
6. To prevent the leakage of personal data, please log out / restart the computer before leaving ICSCR.
7. Please do not post or introduce obscene material on the computer systems. Do not alter, delete or copy any licensed software on the equipment in the ICSCR.
8. Facilities in ICSCR should not be used for non-course work purposes such as playing computer games. If you are working on projects related to computer game development, please seek approval from IC at [ic@polyu.edu.hk](mailto:ic@polyu.edu.hk) 24 hours before use.
9. CCTV surveillance system is installed in ICSCR for general security purposes. For details, please refer to the CCTV notice as displayed in ICSCR.
10. "Rules for Student Computer Centre Users" as stipulated in Student Handbook Appendix 2 also applies to the use of ICSCR.
