Project Submission Pro-Forma

(***to be bound in front of the submitted Dissertation)***

NAME: ……………………………………………………………

COMPANY: ……………………………………………………………

Student ID: …………………………………………………………….

I wish the dissertation to be considered for (tick **one** only)

MSc in Engineering Business Management	❑	*Checked by:*
MSc in Manufacturing Systems Engineering (and Management)	❑	
MSc in Supply Chain & Logistics Management	❑	*(office use only)*

(Please note that this Pro-forma is not a formal application for changing the award title. Candidates are required to submit a written application for such amendment within their registration periods. Applicants must confine to their originally registered award titles until both Universities approve such changes by replying confirmation notes.)

I have checked that my modules meet the requirements of the above award   ❑

I confirm that I have included in my dissertation:

An abstract of the work completed   ❑

A declaration of my contribution to the work and its suitability for the degree   ❑

A table of contents   ❑

A list of figures & tables (if applicable)   ❑

A glossary of terms (where appropriate)   ❑

A clear statement of my project objectives   ❑

A full reference list   ❑

The Ethical Approval reference number is …**REGO-**………………………………

I am willing for my marked dissertation to be used for staff training purposes   ❑
