

Dear Students,

The [Mitacs Globalink Research Internship Programme](#) (GRI Programme) is an initiative for undergraduates to take up a research internship in Canada. From May to August 2024, selected students will participate in a **12-week research internship** under the supervision of Canadian university faculty members from a variety of academic disciplines.

Location: Canada

Potential Partners:

Over 70 universities and partners across Canada, e.g. McGill University, University of British Columbia, University of Toronto, and University of Waterloo

Duration:

May – August 2024 (12 weeks)

Eligibility:

- Year 2 or Year 3 full-time undergraduates in academic year 2023/24 (with one to three semesters remaining in their study programme in academic year 2023/24 when they return to PolyU)
- **Cumulative GPA 3.0 or above**
- Aged 18 or above with valid travel document
- Fluent oral and written English

Quota: Up to 20

Sponsorship: Up to CAD8,000 per student intern

Application:

Submit your CV to Miss Steffi Lo, ISE Department, by email (steffi.lo@polyu.edu.hk) **on/before 2 June 2023**.

Please click [here](#) for other internship opportunities.

Thank you for your kind attention.

Best regards,

Department of Industrial and Systems Engineering
