

Biel Crystal (HK) Manufactory Ltd.

Biel Crystal (HK) Manufactory Ltd. founded in Hong Kong in 1987. Biel is one of the largest cover glass manufacturers in the world. We work very closely with our customers in both design and mass production phase of their products, including smartphone, smart watch, tablet, laptop, desktop, and luxury watch. Our product category extended from cover glass to sapphire cover, ceramic parts, touch screen sensor, finger-print sensor module, and related assembly, throughout last 30 years. With the strong technical capability and effective production execution, Biel is awarded with the development partnership for the world largest phone manufacturers. Biel welcomes talents from different aspects and explore the exciting future together.
