Meet Lawrence

Your Legal Coworker

Not a chatbot — an execution-driven digital employee that understands law

It stays on-site in your work environment with its own workspace and memory. While you sleep, it keeps pushing tasks forward.

[Book a Demo](#)

🔗 **Autonomous** 24/7 non-stop execution

🧠 **Deep Memory** Gets smarter over time

🔒 **On-Premise** Data stays in your control

A screenshot of a web application interface for 'Lawrence', a digital legal coworker. The interface shows a 'Choose Your Digital Avatar' section with several small circular icons of different avatars. To the right of these icons is a larger, full-body image of a man in a suit, labeled 'Lawrence'. Below the avatar selection, there is a small text box that says 'Add a new avatar (200 characters)'. The interface is clean and modern, with a white background and blue accents.

EMPOWERING DREAMERS FUELLING SUCCESS

PolyU is committed to fostering innovation and entrepreneurship, cultivating next-generation entrepreneurs that are eager to tackle societal issues with innovative solutions. Via PolyVentures, our signature start-up ecosystem, the University supports PolyU start-ups in every stage of their entrepreneurial journeys – from education and ideation to incubation, acceleration, and fundraising. To equip them with necessary knowledge and skills for sustainable development and accelerated growth, a wide range of support, such as training, mentorship, shared office spaces, funding, and networking opportunities with business partners and investors, are available for our start-ups. PolyVentures serves as a super network that connects the academia, industry, and the capital market. It offers customised entrepreneurial support, incubates start-up projects, facilitates fundraising, and drives the translation of impactful research outcomes into real-world solutions, thereby bringing tangible benefits to society.
