

## Top Shipping School Research Rankings 2020-2022

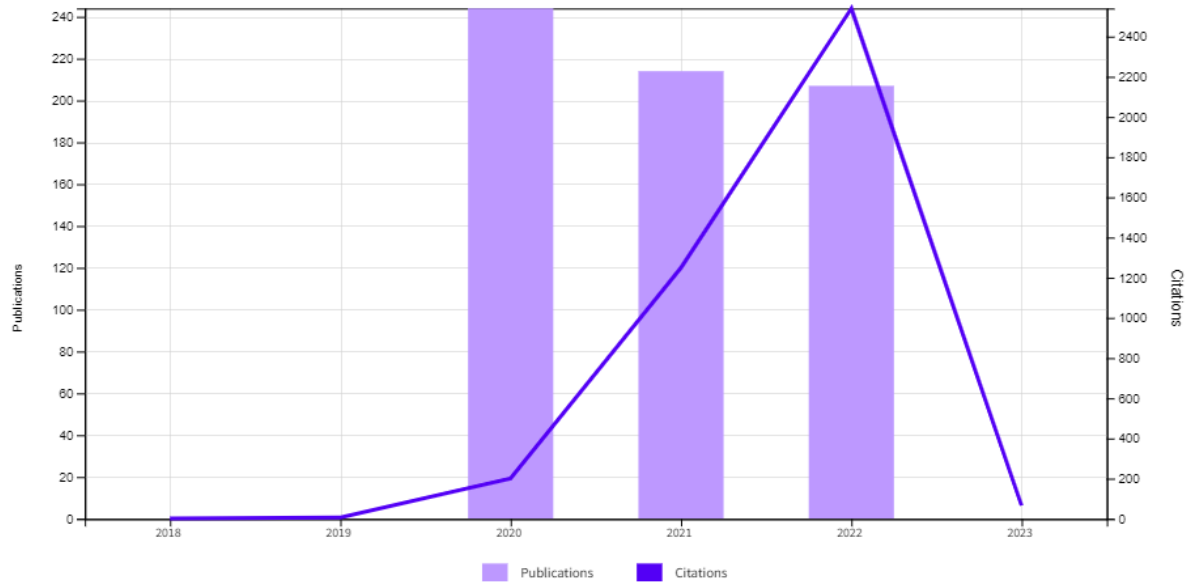

Shipping is a global industry closely linked with global trade. Shipping research has grown significantly in recent years. Researchers have devoted effort to advance the knowledge frontier of shipping studies as well as the theoretical foundation. Scholarly journal publications are important to facilitate knowledge sharing among researchers and practitioners. This report provides the latest information on the top shipping school rankings in the world.

By tracking publications on shipping studies under the category “Transportation”, we examine research on shipping and shipping-related topics captured in Clarivate’s database of *ISI Web of Science* between 2020 and 2022. This report provides information on: (1) number of shipping articles published between 2020 and 2022, (2) key journals publishing shipping research outputs, and (3) worldwide rankings of shipping schools.

To begin, we conducted a search of the Citation Report in the *ISI Web of Science* to identify shipping-related articles published between 2020 and 2022 under the category of “Transportation”. We found that there are 665 such articles as follows:

According to the *ISI Web of Science*, eleven key journals published shipping articles between 2020 and 2022. These journals accounted for around 88% of the total shipping research outputs in 2020-2022 (i.e., 583 out of 665 articles):

Journal	No. of shipping articles published in 2020-2022
<i>Maritime Policy Management</i>	169
<i>Transportation Research: Part E</i>	101
<i>Transportation Research: Part D</i>	72
<i>Maritime Economics Logistics</i>	71
<i>Transportation Policy</i>	44
<i>International Journal of Shipping and Transport Logistics</i>	31
<i>Research in Transportation Business and Management</i>	29
<i>Transportation Research: Part A</i>	23
<i>Transportation Research: Part B</i>	23
<i>Journal of Transport Geography</i>	20
<b>Total</b>	<b>583</b>

(Date of search: 19 January 2023)

To provide timely data on the research productivity of leading shipping schools, we report in the following top shipping schools research rankings based on the number of shipping articles they published between 2020 and 2022:

Rank	University	No. of shipping articles published in 2020-2022
------	------------	---
