DR ANNE GRAHAM is Reader in Air Transport and Tourism at the University of Westminster. Before joining the University, Anne worked in air transport and tourism consultancy. Anne has been involved in the teaching, research and consultancy of air transport for over 25 years and has developed two key research interests. First is in airport management, economics and regulation. Her other research area is the analysis of tourism and aviation demand and the relationship between the tourism and aviation industries. She has written extensively on these research topics with her latest books being ‘Managing Airports: An International Perspective’ (fourth edition) and ‘Airport Marketing’ which were both published in 2013. Anne is also Editor-in-Chief of the Journal of Air Transport Management and on the Editorial Board of the Journal of Airport Management and the Journal of Air Transport Studies.
