Infinite Geo-Spatial Model (HK) Limited is a professional land surveying company in Hong Kong. We engage in multi-disciplinary projects covering land boundary surveying, topographic surveying, engineering surveying, UAV survey and 3D laser scanning. We are seeking qualified candidates to apply for the following position:

Land Survey Graduate

Requirements:

- BSc degree holder in Land Surveying and Geo-informatics, Geomatics or other cognate academic standard as approved by The Hong Kong Institute of Surveyors (HKIS), which satisfies the academic requirements for corporate membership of the HKIS in the Land Surveying Division and the Assessment of Professional Competence (APC);
- Fresh graduates;
- Familiar with MicroStation, AutoCAD, Revit or other related software programs;
- Holder of Green Card and Registered Construction Worker qualification;
- Good command of spoken and written English, Cantonese and Mandarin
- Excellent interpersonal and communication skills; and
- Self-motivated, willing to learn and able to work under pressure.

Responsibilities:

- Receive on-the-job training with a view to gaining experience in the land surveying discipline;
- Prepare the survey reports including computation and plans etc.;
- Undertake fieldwork;
- Schedule and delegate the tasks to the field teams;
- Ensure the quality of surveys and deliverables;
- Manage the surveying equipment;
- Prepare 2D and/or 3D drawings; and
- Assist in office administration such as archiving and liaison.
