Service Project																
What will students do to serve?	PolyU students would be required to learn from the local wisdom with a view to developing the rural villages. Students would work with the local community under the guidance of university staff members to identify the needs of rural community and strategies to develop the potentials of these villages. At the end of the service trip, students will present their findings and recommendations to the local government officials. The service project aims to empower the rural community by enhancing the local wisdom for sustainable development.															
Whom will students serve?	-Villagers -Children & youth -Elderly people -Ethnic Minorities
