Service Project	
What will students do to serve?	Students will be divided into small groups to work together to solve a problem, complete a task and achieve a common goal. Examples of the projects include the development and implementation of service-learning workshops and activities that can help participants better understand themselves, gain confidence, and find their strengths and potentials. Students can then act as mentors by providing psychological support and organizing workshops for adolescents with delinquent behaviors. They can also arrange day camps or summer camps during which they can creatively devise different activities targeted at building and nurturing the emotional, psychological, and interpersonal skills of the children and adolescents.
Whom will students serve?	Serving adolescents with delinquent behavior at Christian Zheng Sheng College
