

Use 'Private' / 'Incognito' mode to access PAIR6003 in Learn@PolyU

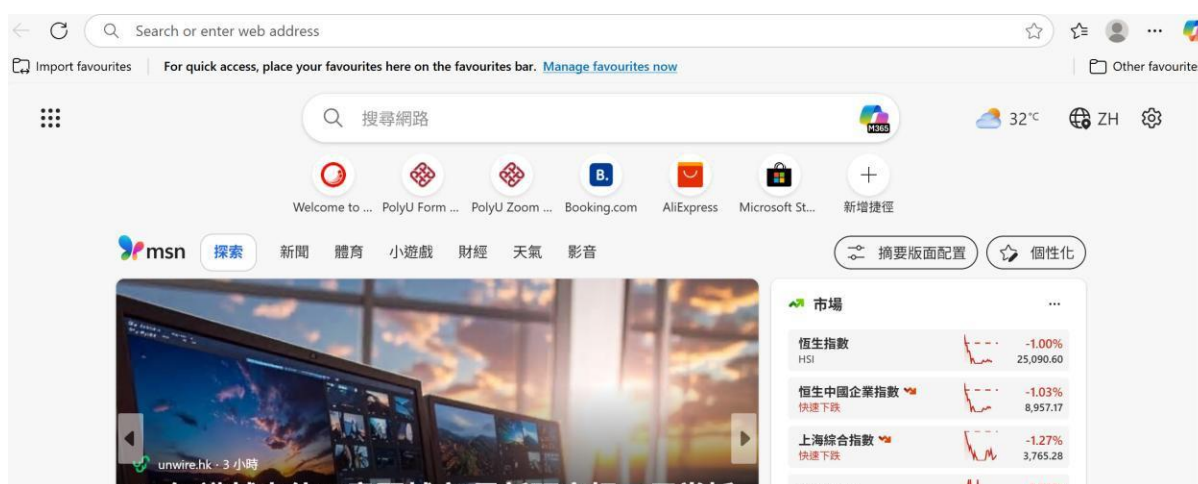

Students, who have problem to login and access PAIR6003 course materials in Learn@PolyU, can try to login with 'inPrivate' (Microsoft Edge browser) or 'Incognito' (Chrome browser). This may help to solve the problem.

Select a browser and follow the instructions

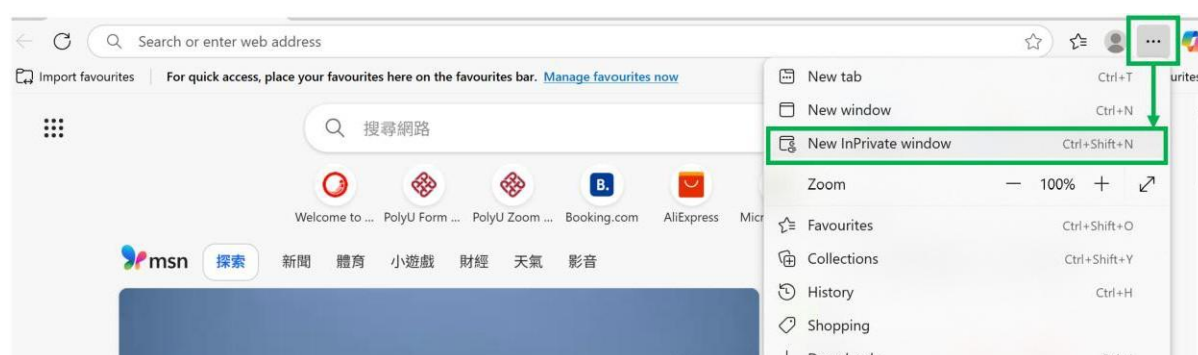

1. Edge browser 'inPrivate' mode 1
2. Chrome browser 'Incognito' mode 4

1. Edge browser 'inPrivate' mode

Step 1: Launch Edge browser

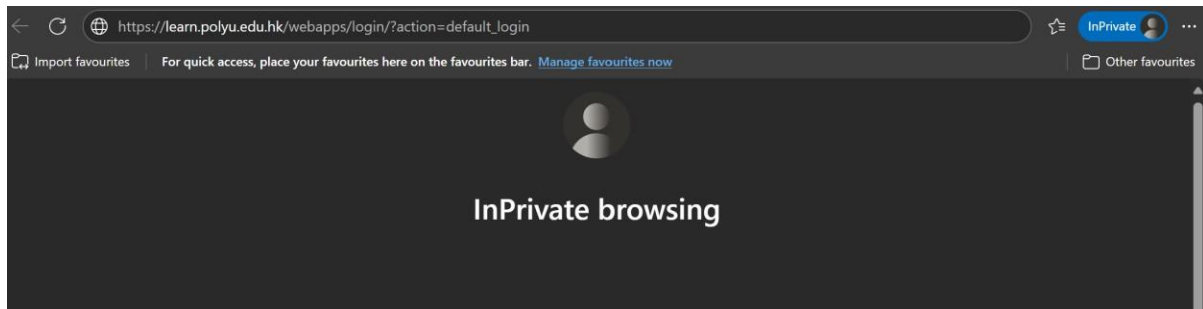

Step 2: Tap the 'ellipsis' (3 ...) besides the address bar and select 'New inPrivate window'

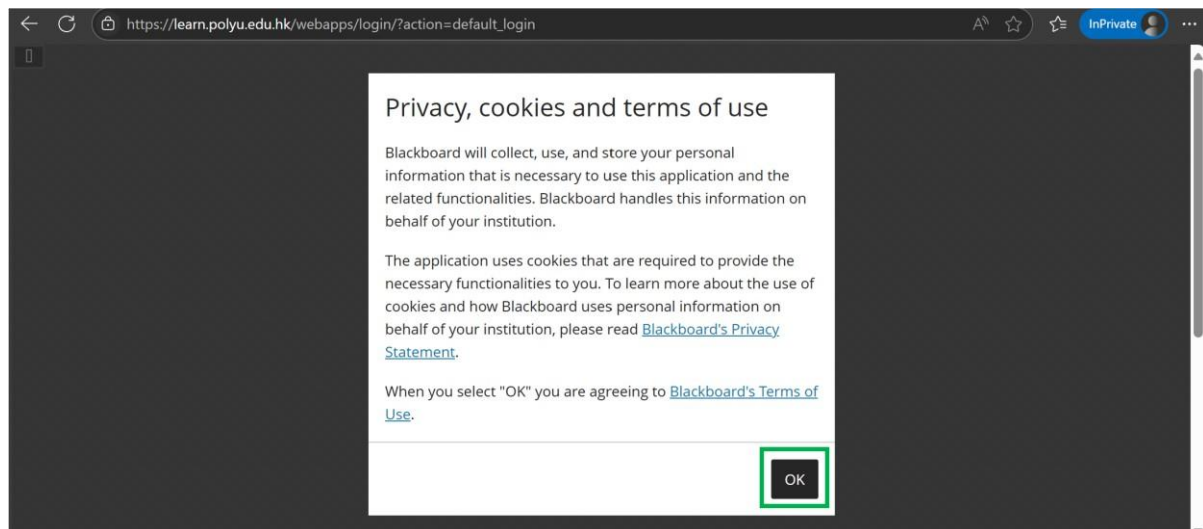

Step 3: 'InPrivate' browser, go to

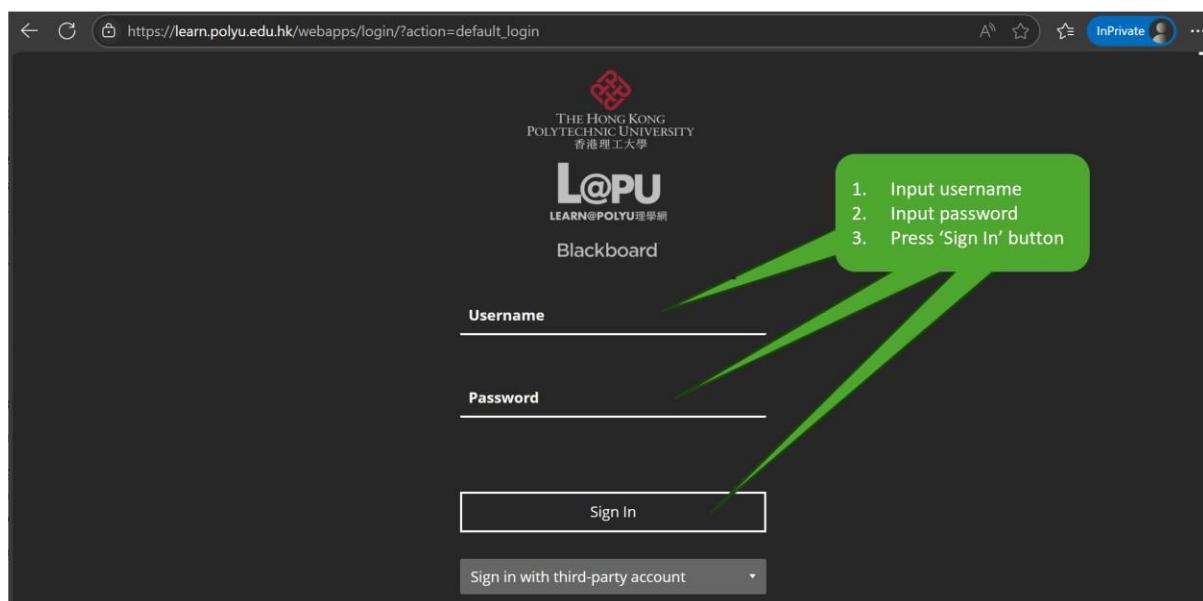

https://learn.polyu.edu.hk/webapps/login/?action=default_login

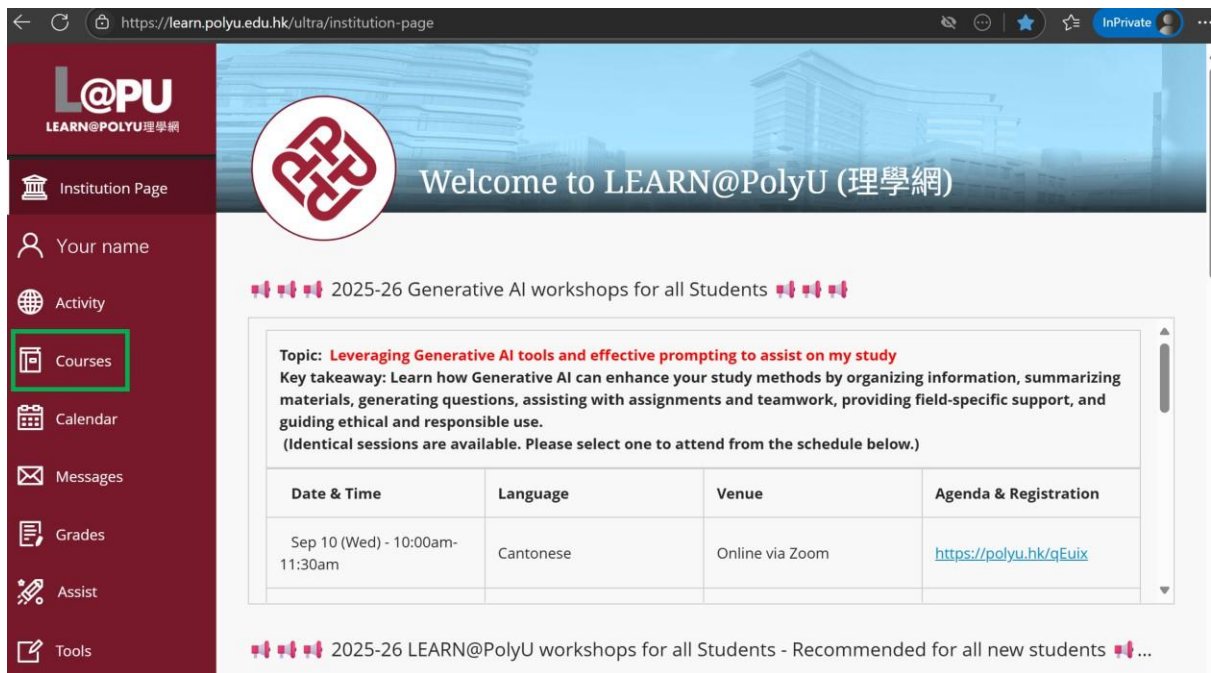

Step 4: In the screen below, click 'ok' to accept the 'terms of use'.

Step 5: In login page, please enter your username and password, then click the 'Sign In' button to access Learn@PolyU

Step 6: Click 'Courses' in the navigation menu

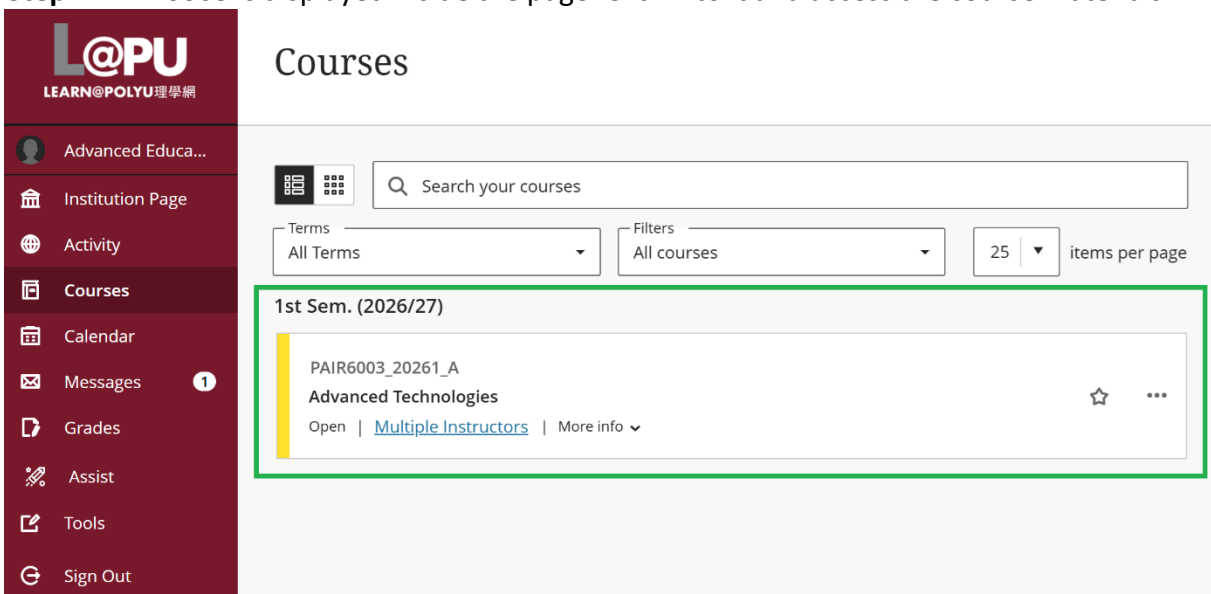

The screenshot shows the LEARN@PolyU homepage. The left sidebar contains a navigation menu with the following items: Institution Page, Your name, Activity, **Courses** (highlighted with a green box), Calendar, Messages, Grades, Assist, and Tools. The main content area features a banner with the PolyU logo and the text 'Welcome to LEARN@PolyU (理學網)'. Below the banner, there is a section titled '2025-26 Generative AI workshops for all Students'. This section includes a topic description: 'Topic: Leveraging Generative AI tools and effective prompting to assist on my study' and a key takeaway: 'Key takeaway: Learn how Generative AI can enhance your study methods by organizing information, summarizing materials, generating questions, assisting with assignments and teamwork, providing field-specific support, and guiding ethical and responsible use. (Identical sessions are available. Please select one to attend from the schedule below.)'. A table follows, listing workshop details:

Date & Time	Language	Venue	Agenda & Registration
Sep 10 (Wed) - 10:00am-11:30am	Cantonese	Online via Zoom	https://polyu.hk/qEuix

Below the table, there is another section titled '2025-26 LEARN@PolyU workshops for all Students - Recommended for all new students'.

Step 7: PAIR6003 is displayed inside the page. Click into it and access the course materials.

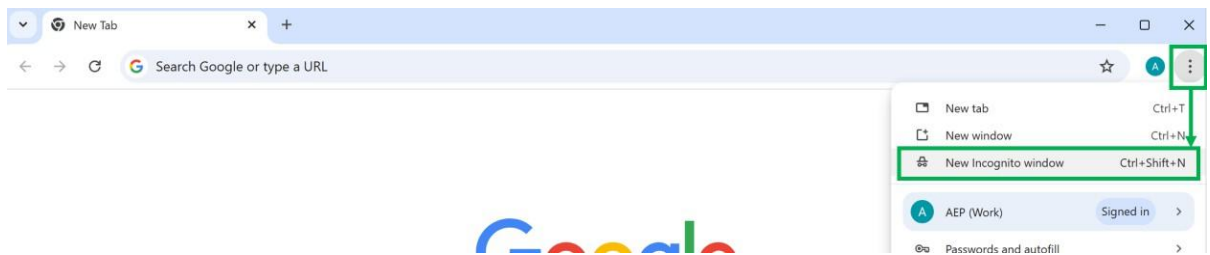

The screenshot shows the 'Courses' page on the LEARN@PolyU platform. The left sidebar contains a navigation menu with the following items: Advanced Educa..., Institution Page, Activity, **Courses** (highlighted with a green box), Calendar, Messages, Grades, Assist, Tools, and Sign Out. The main content area features a search bar labeled 'Search your courses'. Below the search bar, there are filters for 'Terms' (All Terms) and 'Filters' (All courses), along with a dropdown for '25 items per page'. The course list is organized by semester, with the '1st Sem. (2026/27)' section highlighted. The course 'PAIR6003_20261_A Advanced Technologies' is listed, with options to 'Open', 'Multiple Instructors', and 'More info'.

2. Chrome browser 'Incognito' mode

Step 1: Launch a chrome browser

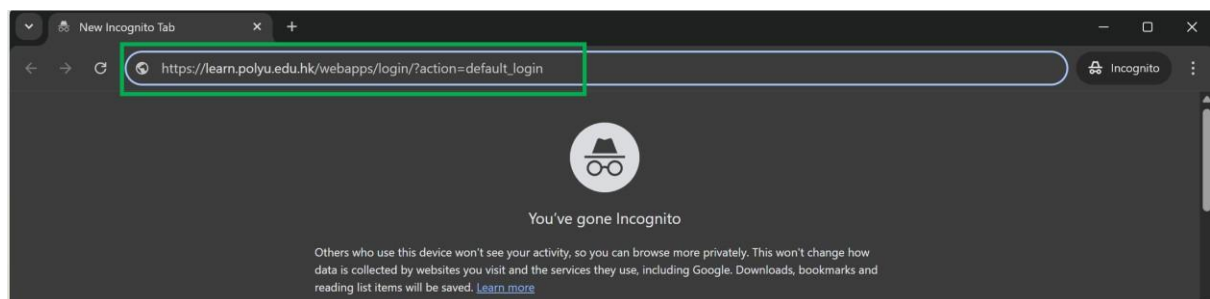

Step 2: Tap the 'ellipsis' (3 ...) besides the address bar and select 'New Incognito window'

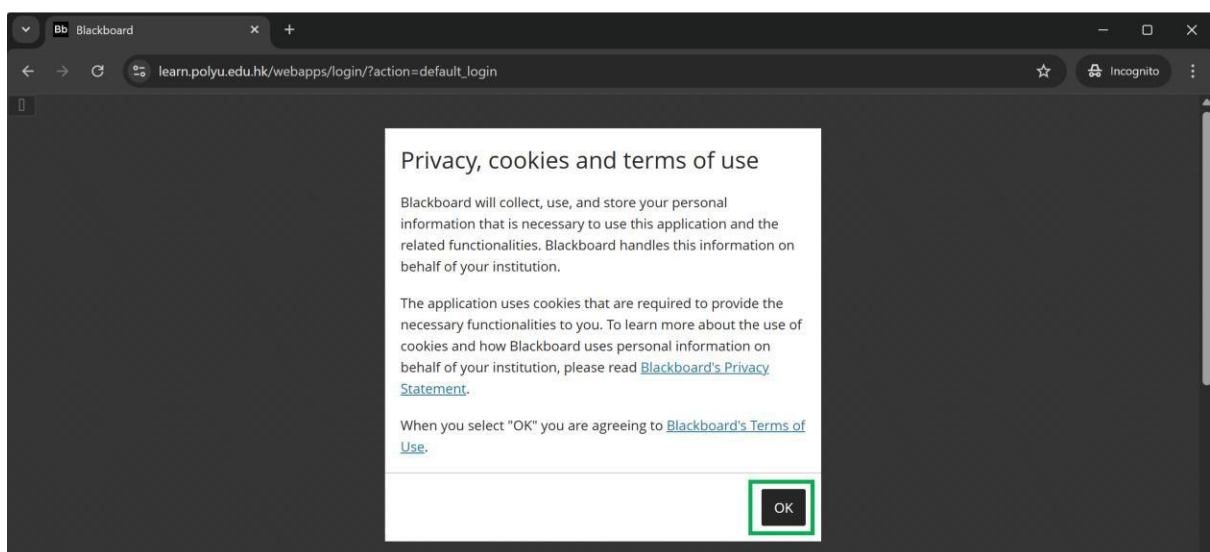

Step 3: Incognito Tab: go to

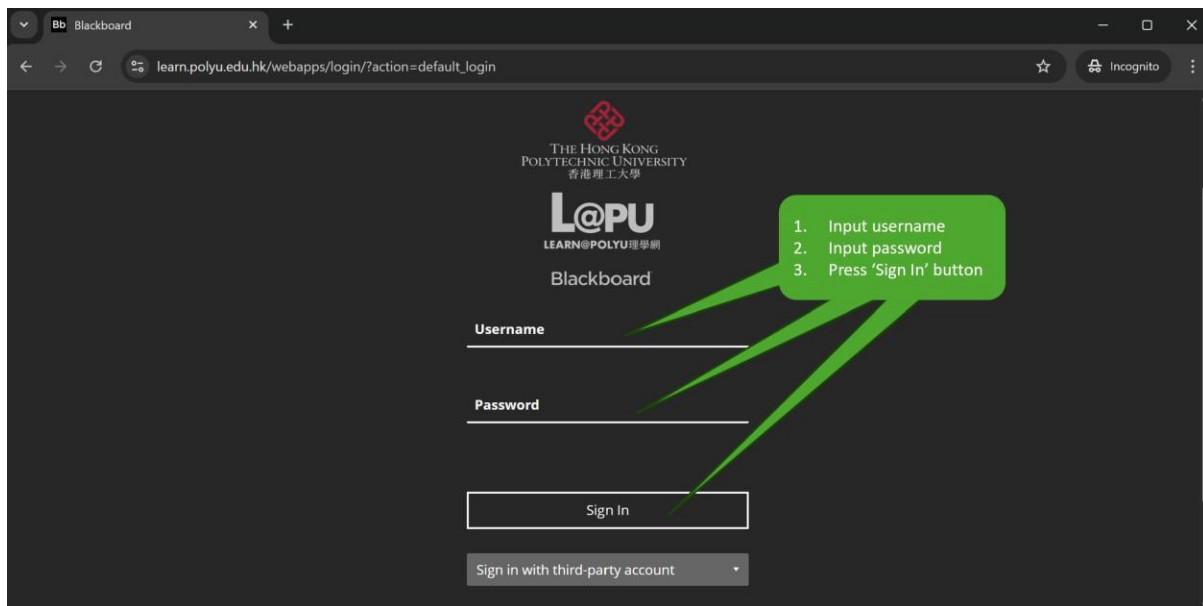

https://learn.polyu.edu.hk/webapps/login/?action=default_login

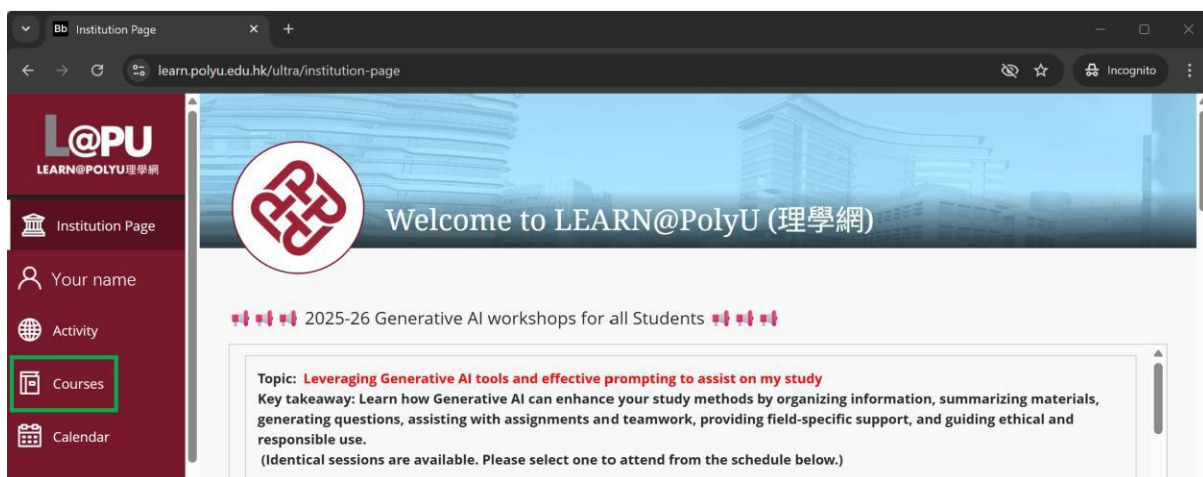

Step 4: In the screen below, click 'ok' to accept the 'terms of use'.

Step 5: In login page, please enter your username and password, then click the 'Sign In' button to access Learn@PolyU

Step 6: Click 'Courses' in the navigation menu

Step 7: PAIR6003 is displayed inside this page. Click into it and access the course materials.
