Login Learn@PolyU with Guest User Account

Go to the guest account login page below:

https://learn.polyu.edu.hk/webapps/login/?action=default_login

Fill in the username and password (sent to you via email) and click 'Sign in'

Tip: If you encounter login issues, try using a different browser or enable '[Incognito](#) / [InPrivate](#)' mode of your browser.

After successful login, please click the 'courses' in the main menu (on the left of the screen)

LEARN@PolyU 理學網

Welcome to LEARN@PolyU (理學網)

2025-26 Semester 1 workshops for all Students

Topic: LEARN@PolyU Basic for Students - Bb mobile app. (Recommended for all new students)

Key takeaway: Learn how to log in and navigate LEARN@PolyU and its mobile app, access and manage course content and assignments, use communication tools for virtual learning, view grades and feedback, follow best practices for online tests, understand course archive policies, and seek support or provide feedback for the platform. (Identical sessions are available. Please select one to attend from the schedule below.)

Date & Time:	Language	Venue	Agenda & Registration
Aug 26 (Tue) - 2:00pm-3:45pm	English	Online	https://polyu.hk/bjZob
Aug 29 (Fri) - 10:00am-	Cantonese	Online	https://polyu.hk/vwDRZ

Course Content of 'PAIR6003 – Advanced Technologies'

PAIR 6003 Lecture materials (such as presentations in PDF format, quiz, recording of a lecture) are uploaded to folders organised by lecture titles and dates. **Click the 'downward arrow' icon** to expand and access the materials inside the folder.

1. **Lecture presentations** (PDF) and **Zoom link** (for online students) will be posted on Wed (one day before the lecture).
2. Please follow the instruction below to **receive email notifications when 'New Content' is added** and available.

Email Notifications for 'New Content'

Click 'Your Name' in the menu bar on the right. Then click 'Email notifications' under 'System Settings'.

In the subsequent screen, configure the 2 items below and then click 'Save'

1. To receive email '**right away**' or '**once a day**'
2. To receive what type of activities. **Recommended to select** at least:
 - a. **New content added**
 - b. **New gradable items** (for reviewing your attendance record)

Details & Actions

Attendance
[View Your Attendance](#)

PAIR 6003 Attendance data will be posted under 'Gradebook' section of 'PAIR6003' on Learn@PolyU platform. Attendance data IS NOT available in 'Attendance' under 'Details & Actions'.

Important: Reviewing lecture video recordings will not be considered as fulfilling the attendance requirement.

To access attendance data, click 'Gradebook' at the top menu bar.

- Attendance data will be uploaded about a week after a lecture.
- Grade = 'Attended' means you have attended the lecture; Grade = Blank (i.e., empty) means you did not fulfil the attendance requirements of the lecture.
