# Paper Title Can Be Two-Line Long Title Continued.

Author 1 Firstname Lastname<sup>1</sup>, Author 2 Firstname Lastname<sup>2</sup>, Author 3 Firstname Lastname<sup>3</sup>

(Underline presenting author's name)

Dept., Institution Name<sup>1</sup>, Dept., Institution Name<sup>2</sup>, Dept., Institution Name<sup>3</sup>

## BACKGROUND

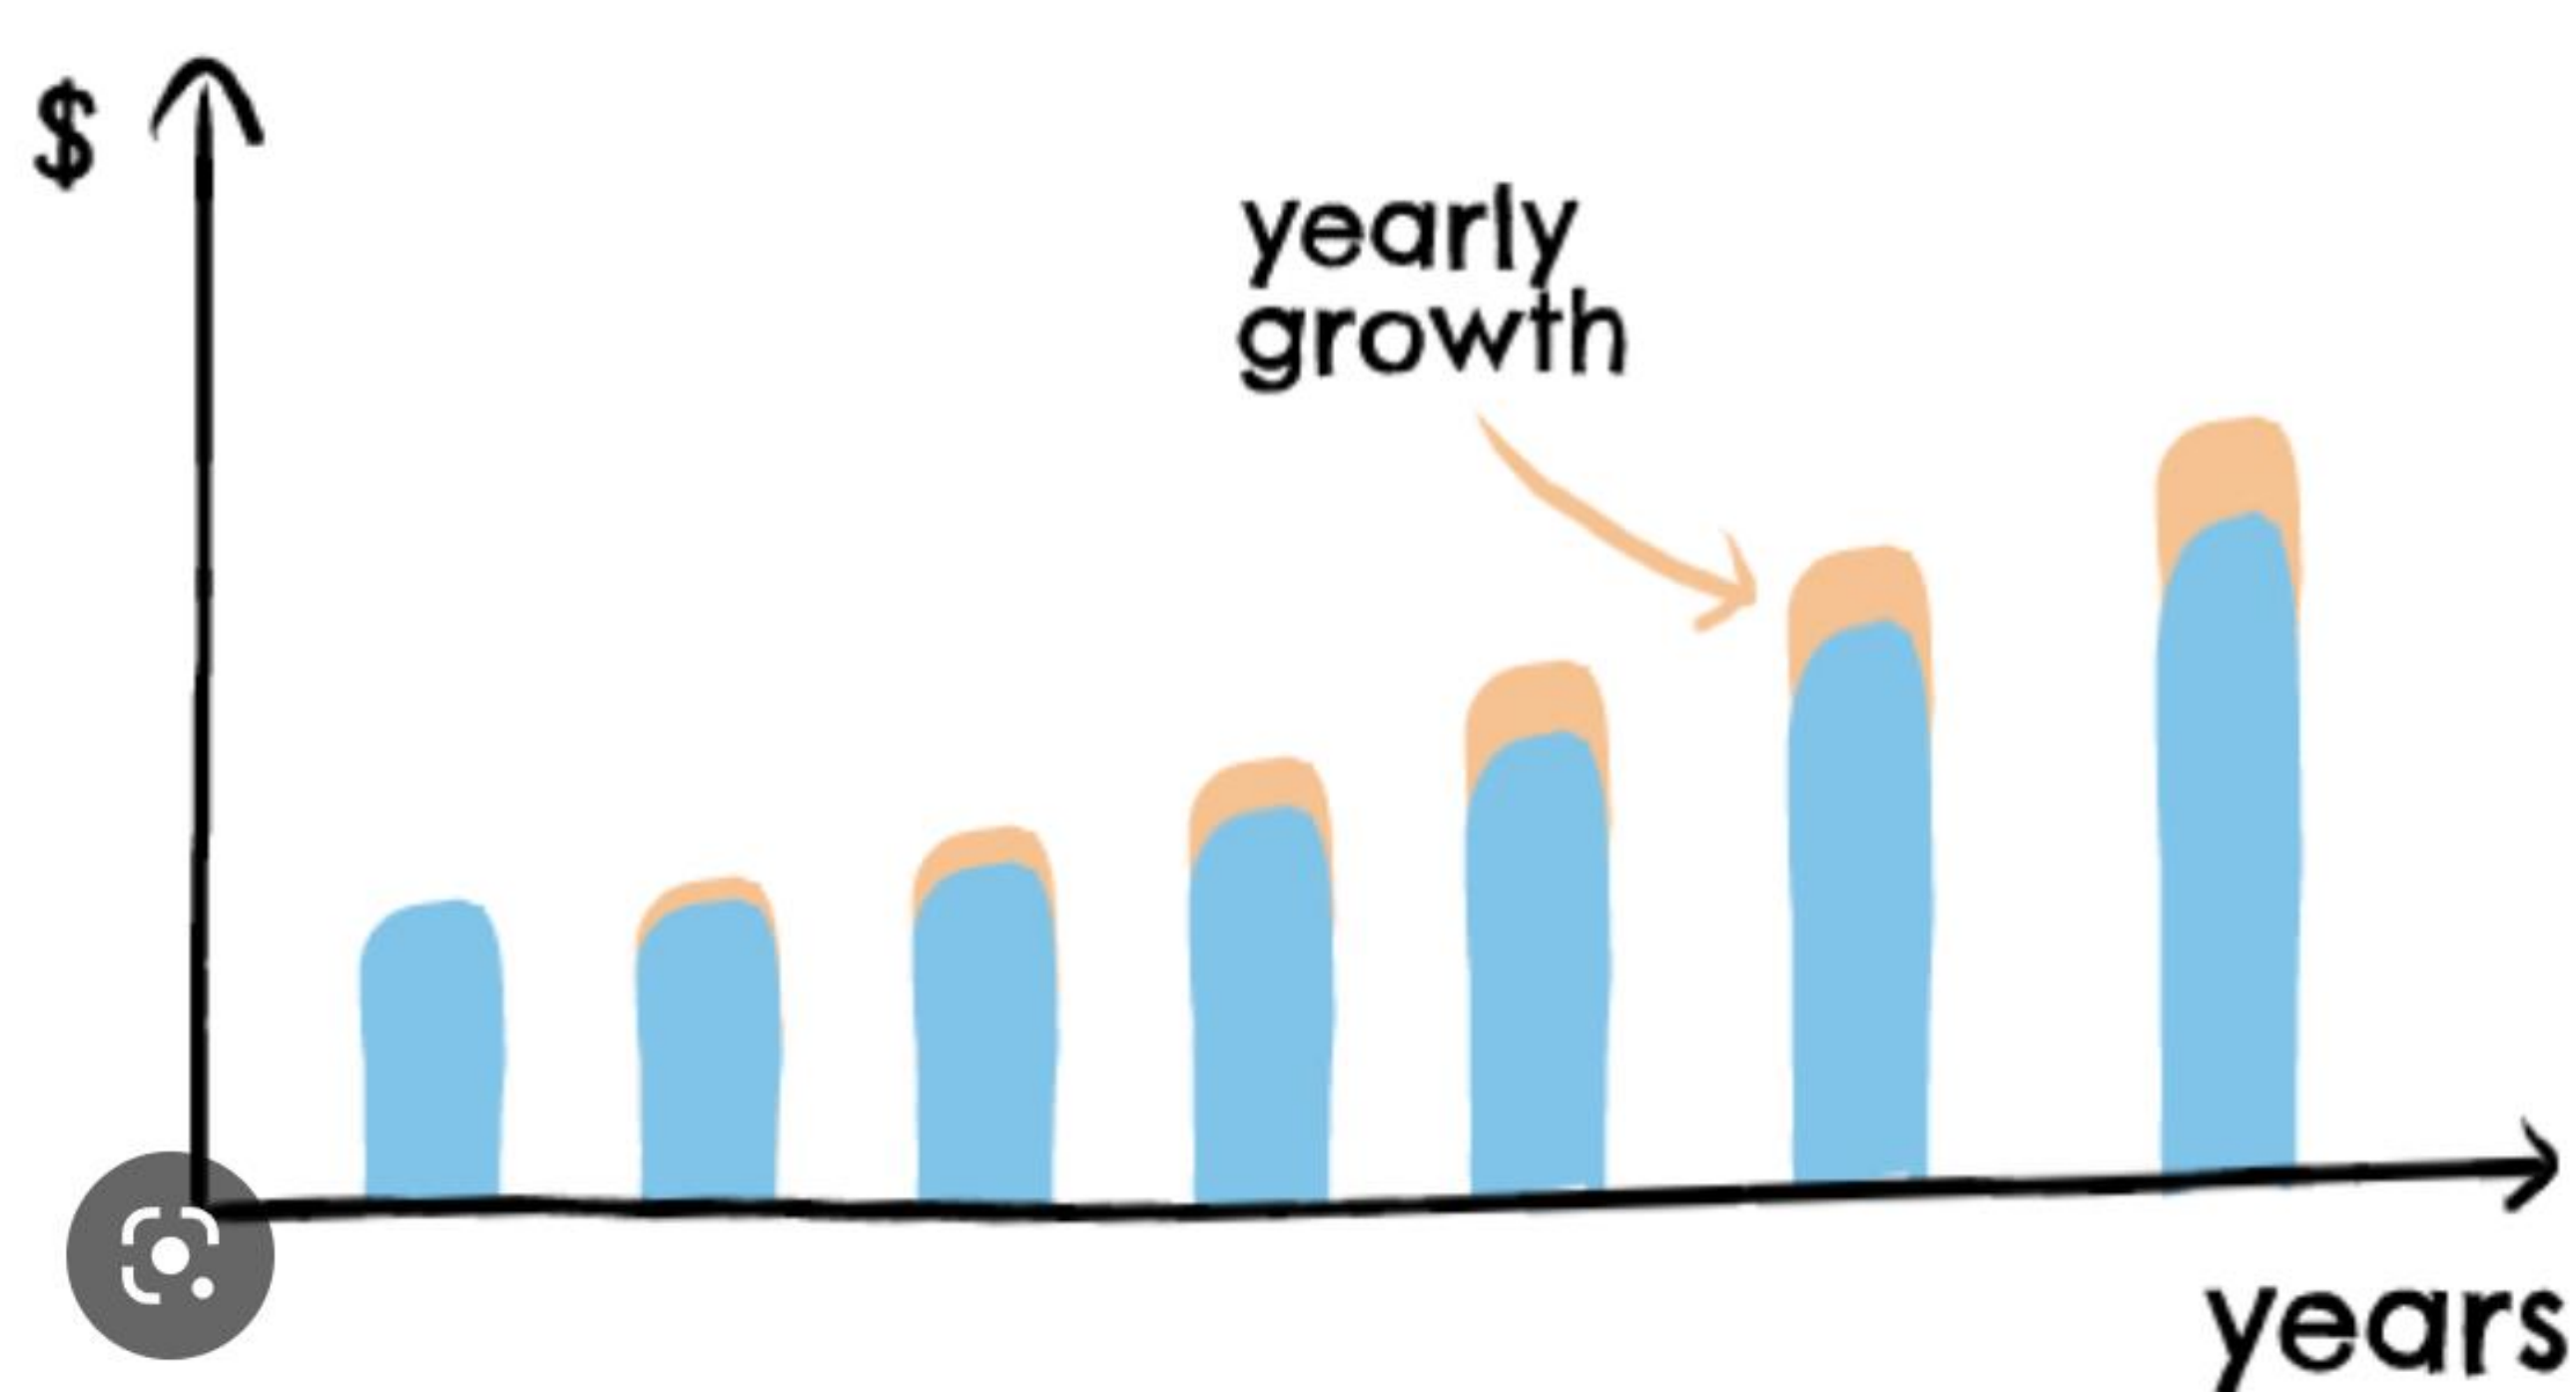

- State the objective of the research
- Provide briefly background information
- Outline research questions, hypotheses, and gaps

## METHODS

- Provide your research method
- Present only key equations
- Use diagrams and photos for effective communication

## RESULTS

- Present the findings in logical order of importance
- Use figures and tables whenever possible with captions and suitable font size
- Identify key findings
- Include tables and graphs

Student	Hours/week	Grade
Ada Lovelace	2	A
Linus Thorvalds	8	A
Bruce Willis	12	F
Richard Stallman	10	B
Grace Hopper	12	A
Alan Turing	8	C
Bill Gates	6	D
Steve Jobs	4	E

## DISCUSSION

- Discuss limitations of your research
- Illustrate issues encountered in the research

## CONCLUSIONS

- Give at least three major findings from your research
- Make recommendations on future research direction
