

Feedback Form for Internationalisation Initiatives

Project Title:

Fostering the Integration of Local and Non-local Students for the Enhancement of Internationalisation and Engagement with Mainland China

Project Objectives:

1. To assess the current situation and obstacles of integration between local and non-local students within curricular and co-curricular practices in the student learning experience at Hong Kong Universities;
2. To develop and design an adaptable inter-institutional framework (which includes in-depth strategic combination of curricular and co-curricular practices) to foster the integration of local and non-local students in order to enhance student internationalisation and/or engagement with Mainland China;
3. To deliver and promote the shared adaptable inter-institutional framework; and
4. To build a Virtual Resource Centre which contains the process and outcome of the initiatives that will be used as a data base for sustainability of internationalisation activities via fostering the integration of local and non-local students in Hong Kong Universities.
