Report on Output arising from Research Studies at PolyU

Note: Please note that the information given in this form will be used only as a basis for all types of processing relevant to your studies at The Hong Kong Polytechnic University.

This Form must be type-written and filled out by a research student upon the completion of his/her research studies. It should be submitted to the Research Committee before it considers the ratification of your award.

Please give details of:
I. Output published/submitted based on the work presented in your thesis.
II. Other output published/submitted during the period of your research study at PolyU.

Your description should include output already published as well as that which has been submitted. Endorsement must be obtained from your Chief Supervisor before submitting the Form.

Please use the space below to report your output, which should be grouped into the following parts and categories:

1. Refereed Journal Articles
2. Conference Presentations
3. Conference Publications
4. Books/Chapters in Books
5. Publications in Professional Magazines
6. Publications in Newspapers
7. Other Publications
8. Exhibitions
9. Patents and Copyright on Intellectual Property
10. Public Acquisitions
11. Honours and Awards
