

# Hire Talented PolyU Students

## Nurture “Leaders of Tomorrow”

## PARTNER WITH CPS, SAO

The Careers and Placement Section, Student Affairs Office (CPS, SAO) of The Hong Kong Polytechnic University (PolyU) partners closely with various industries/ business sectors to assist employers with talent recruitment via our one-stop recruitment services.

We are committed to proactively facilitating the connection between employers and PolyU students to allow employers to access a diverse talent pool, and to optimise students' career development. Employers are welcome to offer local internship and global graduate job opportunities to PolyU graduates and undergraduates.

## Job Opportunities

Employers are welcome to provide internship opportunities or graduate jobs to PolyU students. For internships, they normally take place from June to August for 6 to 12 weeks. Employers are recommended to assign projects related to the intern's disciplines so as to add values to your business.

## Career Development Programmes

Career training workshops and career advising sessions are provided by CPS, SAO to enhance students' interview skills and workplace competencies. Employers are welcome to organise seminars and industry-focus talks with us to prepare students to be future leaders, as well as to enable them to embark on their career journey, bridging the gap between academia and the workforce.

## Executive Sharing

CPS, SAO invites CEOs/Senior Executives from various industries to share their insights. Past topics included the qualities of a successful leader, personal branding, and interview skills.

## Graduate Employment Survey

Every year, CPS, SAO publishes PolyU graduates' employment statistics to provide employers with a clear picture of our students' employment destinations and relevant statistics including employment by Faculty/School, and salary analysis. You may scan the QR code below for details.

# BENEFITS TO EMPLOYERS

## Talent Recruitment

Employers can join hands with CPS, SAO to recruit PolyU's future leaders and assist them in realising their full potential. PolyU strives to equip students as future leaders with career planning, business etiquette, leadership, critical thinking, communication skills, and a global outlook.

## Tailored Services

CPS, SAO works closely with employers via one-stop recruitment services for your reaching out to PolyU students from ten Faculties/ Schools, meeting your different recruitment needs.

## Innovation

Nurturing future leaders for society helps boost corporate image. Our interns can also rejuvenate your business with innovative ideas.

## Job Posting

We invite employers to post graduate job and local internship opportunities on PolyU Job Board, which PolyU students and fresh graduates access on a frequent basis. You may scan the QR code here to view the Job Post Submission Request Form.

## Career Fair

CPS, SAO organises career fair every year for employers to promote their internship and graduate job opportunities to our students. The fair attracts around 300 employers who provide over 10,000 job vacancies for PolyU students.

## Recruitment Talk

CPS, SAO organises recruitment talks every year for employers to introduce their business and job opportunities to students, who, in turn, can understand more about the organisations' culture and job requirements.

## Networking

Through organising mentorship programmes, career events, and alumni career sharing, CPS, SAO creates networking opportunities for employers to interact with our young talents. This enables employers to identify and connect with potential future hires.

# ABOUT THE HONG KONG POLYTECHNIC UNIVERSITY

Upholding the motto “To learn and to apply, for the benefit of mankind”, The Hong Kong Polytechnic University (PolyU) aspires to be an innovative world-class university with a strong sense of social responsibility.

The University provides excellent holistic education to nurture socially responsible “leaders of tomorrow” who possess a strong sense of national identity and a global perspective, and pursues impactful innovation and interdisciplinary research to address the world’s most pressing challenges.

The ten Faculties/ Schools at PolyU, together with the Graduate School, consistently align its academic programmes with the evolving needs of society and industry. This commitment fuels the development of Hong Kong, the Nation, and the world. You may scan the QR code here to view the information of the Faculties/ Schools.
