

Partnership with Employers

The Careers and Placement Section (CPS) is happy to assist employers in connecting with our students and identifying right candidates to match the job requirements during the internship and/or graduate recruitment processes. CPS would also collaborate with employers at an early stage in determining job/internship requirements. Employers are welcomed to publicise available job/internship opportunities in Hong Kong, Mainland China or overseas through the PolyU Job Board.

About The Hong Kong Polytechnic University

PolyU has established a fine reputation as the pioneer and leader in application-oriented education and research in Hong Kong. Since 1937, many of its graduates have become movers and shakers in their industries or professions, making significant contributions to the advancement of society. With a total of eight Faculties/Schools, PolyU offers a wide array of programmes for both undergraduate and postgraduate (TPG, MPhil and PhD) students. The Faculties/Schools are as follows:

- Faculty of Applied Science and Textiles
- Faculty of Business
- Faculty of Construction and Environment
- Faculty of Engineering
- Faculty of Health and Social Sciences
- Faculty of Humanities
- School of Design
- School of Hotel and Tourism Management

PolyU is one of Hong Kong's providers of comprehensive programmes in fashion and textiles; logistics and maritime; environmental engineering, sustainable development, land surveying and geo-informatics; air transport, aviation and transportation systems; mental health nursing, occupational therapy, optometry, physiotherapy and radiography; and design. Programme structures are flexible and can be taken as Double-Degree options and Major/Minor combinations.

FACULTY OF BUSINESS

Faculty of Business

The Faculty of Business (FB) of The Hong Kong Polytechnic University (PolyU) offers a comprehensive range of undergraduate and postgraduate programmes through three units: School of Accounting and Finance, Department of Logistics and Maritime Studies, and Department of Management and Marketing. Its mission is to discover, design and deliver Innovation-driven Education and Scholarship (IDEAS) of international standing that has an impact on students, organisations and the understanding of business issues. The alumni of FB are leaders in a broad range of organisations, which include listed companies, government, non-profit organisations, and entrepreneurial ventures, in accounting, financial, shipping, logistics, marketing, and manufacturing industries.

School of Accounting and Finance

With a history dating back to 1972, the School of Accounting and Finance (AF) was the first one to provide a post-secondary accounting education for students in Hong Kong. AF offers a good range of full-time and part-time undergraduate and postgraduate programmes, which are well recognised through accreditation by numerous local and overseas professional institutions.

- PhD, Master of Corporate Governance, Master of Finance, Master of Professional Accounting, MSc and MA
- BBA (Hons) in Accountancy
- BBA (Hons) in Accounting and Finance
- BBA (Hons) in Financial Services

Department of Logistics and Maritime Studies

PolyU is currently the sole provider of maritime education at the tertiary level in Hong Kong. Officially established in 2003, the Department of Logistics was renamed Department of Logistics and Maritime Studies (LMS) in 2008 to better reflect the Department's strengths and growing portfolio.

LMS aims at nurturing highly effective logistics managers and leaders through the development of contemporary educational materials and the use of innovative and teaching methods. It also proactively collaborates with top-tier institutions and universities in Mainland China and overseas.

- PhD and MSc
- BBA (Hons) in Aviation Management and Logistics
- BBA (Hons) in Global Supply Chain Management
- BBA (Hons) in International Shipping and Transport Logistics
- BBA (Hons) in Supply Chain Management and Analytics

Department of Management and Marketing

The Department of Management and Marketing (MM) is one of the largest departments in the University with more than 50 academic and professional experts. It has expertise in general and strategic management, entrepreneurship, organisational behavior, human resource management, international business, and marketing. Its mission is to provide undergraduate and postgraduate business education, and to undertake scholarly work to advance knowledge and improve practice in management and marketing so as to create highly effective managers and leaders.

Administered by MM, the Asian Centre for Branding and Marketing undertakes the objectives of becoming a leading branding and marketing research centre in the Asia-Pacific region and promoting branding research and practice in the region.

- PhD, MPhil and MSc
- BBA (Hons) in Management
- BBA (Hons) in Marketing

Awards and Achievements

- Silver medal at 43rd International Exhibition of Inventions of Geneva (Intelligent Condition-based Key Machinery Assets Maintenance Management Platform); and Best Educational Course Provider (Asian Freight, Logistics and Supply Chain Award).
- Inventory rationing in a make-to-stock system with batch production and lost sales; impact of subliminal advertising on broad perceptions; impact of visual perspectives of advertised products and services on consumer behavior; and a world-wide study on the linkage between genetic makeup and happiness of various ethnic groups.
