

Setting Sail for a Future of Limitless Possibilities

A Legacy of Vision

The Tung & Ngai Foundation Scholarship was born from a profound belief: the future of society lies in the hands of its youth.

The Foundation was established in honour of the late Mr. Tung Chao-Yu (1924–2020) and Madam Ngai Chue Jai, Lily (1926–2018). Mr. Tung, a defining figure in the golden era of global shipping and a pioneer of the seas, believed that just as a ship requires a steady hand to navigate the ocean, the future of Hong Kong requires leaders equipped with cultural confidence, cross-cultural fluency, and a pioneering spirit to chart new courses for their community and country.

Our Mission

As the Greater Bay Area emerges as a world-class hub for innovation, we aim to ensure Hong Kong's youth are prepared to lead in this new era. We seek to:

Nurture young leaders with a deep sense of social responsibility and cultural confidence.

Equip scholars for a lifelong commitment to the Hong Kong community and China's development.

Develop cross-cultural bridge-builders who connect Hong Kong, the Greater Bay Area, and the wider world.

Encourage a spirit of endeavour and innovation.

Embark on a Transformative Journey

The Scholarship combines comprehensive financial support with immersive experiences to cultivate the pioneering spirit needed to explore uncharted territories.
