3D Design Technical Support Intern

Browzwear is the leading provider of 3D fashion design, development, and merchandising solutions. Our mission is to revolutionize the apparel industry with our truly disruptive 3D technology, providing the exact tools needed to exploit the extensive opportunities in the market to achieve that goal. We work with some of the biggest and most well-known global companies in the industry.

We are looking for a 3D Design Technical Support Intern to join our growing Support team.

Benefits of the Internship Programme

This internship provides practice-oriented and "hands-on" training to enhance interns' learning experience. In this programme, interns will deep dive into the usage of a 3D fashion design software and acquire experience in customer service and teamwork. Interns with the right fit will have the potential to transit into a full-time role upon completion of the programme.

As Part of the Browzwear team you'll become a 3D super user. Additionally, you will be able to develop professional English language skills, as it's the working language in Browzwear, and learn to work with different cultures and nationalities.

What you will do

- Develop deep knowledge in a revolutionary 3D fashion software.
- Work alongside and assist 3D Specialist and Tech Support Team with daily work and ad hoc projects. With occasional opportunities to assist other departments such as Client Success or Business Development Team in cross-functional work.
- Provide online, on-site and helpdesk support to clients

A successful candidate....

- Is passionate about customer satisfaction.
- Has good interpersonal & communication skills on both online and verbal communication channels.
- Is a self-starter with a "can-do" attitude who is always willing to try new things and think outside the box.
- Has strong ability to multi-task, attention to detail and work under pressure in a fast paced, rapidly changing environment to meet deadlines.
- Is a team player with initiative and willingness to learn
- Appreciates mentoring/knowledge sharing among team members and building a positive team culture

Course of study

- Currently undergoing tertiary education in Fashion Design, Apparel Technical Design, 3D Graphics Design, Business, Customer Service, or other related courses of study
- Students with exposure in 3D computer aided software are welcome to apply
- Fluency in Cantonese and English

Duration of attachment

2 months (13th June 2022 – 12th Aug 2022)

Budget

HKD8,000 per month for 1 full time in 2 months

Summer Internship Programme 2022

Position Title:	Merchandiser - Summer Intern
Number of vacancies:	2
Location:	Wong Chuk Hang, Aberdeen
Working Period:	6 June – 27 August 2022
Working Hours:	9am - 6pm, Monday – Friday
Allowance:	HK\$7000 per month

About the company

For over 20 years Perfect Moment has been creating skiwear for the most extreme skiers with a focus on performance garments and statement designs. Today we have grown our collection of retro inspired and technical clothing products to provide our fashion-conscious community with a full range of winter ski and summer beach and surf wear. We design for fashion, form and function.

Perfect Moment now offers high performance lifestyle clothing with a core emphasis on woman's ski wear, kids ski wear and men's ski wear that can be worn on and off the slopes. Performance is at the forefront of our statement designs as we incorporate the industry's leading technical fabrics into our garments and combine with vivid and bold colour palates that blend from one season to the next. We understand the demands made of our active wear and ski wear and vigorously test our materials, challenging insulation and warmth, breathability and durability, to ensure an optimal athletic performance and an exceptional fit. Each garment is built to ensure peak performance in action and a fashion forward approach to looking great.

The adventure started in the mountains of Chamonix in 1984, with Perfect Moment a vision of famed extreme sports filmmaker and professional skier Thierry Donard, who designed apparel for his team of expert freeride skiers and surfers for his film production company La Nuite de la Glisse. Donard used his personal experience to create designs that were characterised by quality, style and performance, and focused on the ultimate goal of every athlete: to experience that Perfect Moment.

Our dedicated collection for kids across both ski wear and active wear mirrors our core seasonal garment designs adapted for a fun, stylish and cool younger look. Kids colour palates echo the retro hues that characterise Perfect Moment and our Polar Bear print, which has become a firm favourite as we raise awareness for our endangered great Arctic friend, can be spotted on many pieces from ski pants and knitwear to bikinis and summer beach shorts.

Designed to lead the way on the seasons active fashion wear, Perfect Moment's new summer collection takes influence from the sunshine island of Ibiza with 'Surfer Girl' inspired high end active, beach and swimwear.
