

Assistant Fashion Designer

Job Responsibilities

- Assist in designing and developing seasonal collections with a focus on business casual attire.
- Support the creation of detailed Tech Packs, including spec drawings and material specifications.
- Research and suggest fabrics, trims, and accessories that align with design concepts and brand identity.
- Conduct market and trend research to ensure designs are fresh and commercially viable.
- Prepare presentation boards and visual materials for internal reviews.
- Collaborate with the production team to ensure design integrity during sampling and manufacturing processes.
- Participate in fit sessions and assist with feedback for adjustments.
- Support the transition of initial concepts to production-ready designs.
- Contribute to a positive and inclusive team environment.

Job Requirements

- Diploma or degree in Fashion Design, Textile Design, or a related field.
- Previous experience as an intern or in a similar role is a plus.
- Strong portfolio showcasing relevant design work.
- Proficiency in Adobe Illustrator and Photoshop; ability to create technical flats is desirable.
- Basic knowledge of fabrics, garment construction, and manufacturing processes.
- Detail-oriented with a proactive and collaborative approach.
- Ability to manage multiple tasks and prioritize effectively.
- Native Cantonese speaker with good written skills in both English and Chinese.

Benefits

- Five-day work week
- Flexible working hours
- Double pay
- Gratuity
- Discretionary Performance Bonus
- Staff discounts on purchase
- Medical insurance
