

Assistant Designer

Overview:

We are looking for an Assistant Designer with excellent CAD, presentation and communication skills to join our design team – focusing on Sportswear, Lingerie and Nightwear.

This role is to support the design team on Customer Accounts and Trend Collections, as well as general design assistance.

An ideal opportunity for an assistant designer who is highly organized and flexible and looking to gain a strong understanding of the European and US fashion market.

Responsibilities:

- Create commercial CADs for Customer Accounts and Trend Collections
- Work to briefs and follow critical paths
- Work closely with Senior Designer on various accounts and projects
- Assisting design room in all areas required i.e. Photographing garments, making copies of prints, categorizing fabrics library and organizing sample room

Requirements:

- Degree / Diploma holder in Design or related disciplines
- Strong Illustrator and Photoshop CAD ability
- A team player who can also work independently and meet deadlines
- Good command in written & spoken Chinese and English
- Self motivated, creative and willing to learn

If you are interested in applying for this position please send over your CV and examples of your work to **recruit@cerie.com.hk**

We offer 5-day work, attractive remuneration, double pay, bonus scheme and medical scheme. Please send resume, current salary, expected salary and examples of your works.
