

Senior Designer (Sportswear & Lingerie)

Overview:

We are looking for an experienced Sportswear and Lingerie Senior Designer who has a strong understanding of the European and US market and experience working in a fast paced, fashion company.

Strong fashion sense with excellent knowledge of fabrications and technical understanding is vital as you will be developing new concepts and designs, preparing tech packs and working closely with the factory to create new styles and silhouettes.

Responsibilities:

- Responsible for design for Customer Accounts and Trend Collections
- Follow through the whole process for product design and development of ranges from concept stage through to samples
- Design commercial and innovative ranges that meet customer requirements
- Work to briefs and follow critical paths
- Work closely with Design Director to identify & forecast global trends
- Oversee an Assistant Designer and manage allocation and direction

Requirements:

- Strong communication and presentation skills are essential
- Able to develop commercial collections to suit customer requirements
- A team player who can also work independently and meet deadlines
- Degree / Diploma holder in Fashion Design or related disciplines
- Minimum 5 -7 years design experience
- Existing experience in a senior role essential
- Strong Illustrator and Photoshop CAD ability
- Strong knowledge of fabrications and garment construction
- Good command in written & spoken English

If you are interested in applying for this position please send over your CV and examples of your work to **recruit@cerie.com.hk**

We offer 5-day work, attractive remuneration, double pay, bonus scheme and medical scheme. Please send resume, current salary, expected salary and examples of your works.
