

Chaintex

KNITTING A BETTER FUTURE

We're looking for a full-time Assistant Fabric Account Executive to join our growing team at Chaintex.

In this key role, you will be at the forefront of textile trends, responsible for managing accounts and driving the sales of our innovative knit fabrics to leading global fashion companies.

What You'll Do

- **Learn & Assist:** Support senior team members in client fabric sourcing and collaborate directly with our technical teams to develop tailor-made textile solutions.
- **Coordinate Operations:** Act as a vital bridge between factories, customers, and internal teams to ensure the timely and high-quality delivery of orders.
- **Innovate & Promote:** Get hands-on experience researching, promoting, and developing our newest functional and sustainable textiles.

Who You Are

- Fresh graduates/alumni of School of Fashion and Textiles, with a strong interest in building a career in the textile industry
- Solid knowledge of textile properties, testing methodologies, and manufacturing processes
- Organized, responsible, and self-motivated
- Detail-oriented with strong coordination and planning skills
- General knowledge of MS office and Exchange essential
- Strong numerical and logical aptitude.
- Strong communicator with a team-player attitude
- Trustworthy, and willing to learn
- Open to travel opportunities

Why Work With Us?

- Flexible working hours
- Opportunities for travel to overseas for market exposure
- A close-knit, supportive, and friendly team

About Chaintex LTD

Founded in 2003, Chaintex started as an innovative knitted fabric manufacturer with a bold vision: knit what no one else would dare. Today, we focus on what matters most — creating the next generation of responsible, renewable, and traceable materials.

We supply leading global fashion brands with high-quality, sustainable fabrics made from organic cotton, regenerative cotton, recycled fibers, and next-gen materials like Tencel Lyocell and Carbon Zero Modal. Our team pioneers natural performance textiles with temperature-regulating, antibacterial, and circulation-boosting features.

Interested parties, please send your CV, expected salary and availability to info@chanitex.com.hk.
Let's create a better textile future — together.
