

Wiseknit Factory Limited

Assistant Fashion Designer

Responsibilities:

- Assist senior designers in the development process of knit-downs, yarn sourcing, sample creation, and technical sketching.
- Support 3D fashion simulation workflows and create digital graphics/artworks for seasonal presentations.
- Prepare technical packages (Tech Packs), design specs, and trend decks for clients.
- Follow up on sample development and monitor production timelines (TNA) to meet peak season deadlines.

Requirements:

- Education: Higher Diploma or Bachelor's Degree in Fashion & Textile Design (Knitwear Design discipline is highly preferred).
- Experience: 1–2 years of relevant experience in the sweater/knitwear industry. Fresh graduates with a strong portfolio will also be considered.
- Technical Skills:
 - Familiar with CLO 3D software; hands-on knowledge of Shima Seiki APEX is a definite advantage and will be prioritized.
 - Proficient in design software such as Adobe Illustrator and Photoshop for CADs and artwork creation.
 - Solid understanding of knitting construction, stitch structures, and yarn properties.
- Attributes: Creative, detail-oriented, highly responsible, and capable of working under pressure in a fast-paced environment.
- Languages: Good command of written and spoken English, Cantonese, and Mandarin.
- Availability: Immediate availability is highly preferred.

How to Apply:

Please send your full CV and Portfolio to Olive Leung at oliveleung@wiseknit.com. Shortlisted candidates will be invited for an interview.
