Service Project	
What will students do to serve?	Students will plan and deliver community service projects suggested by the community partner (i.e. Ever Green Association) in small teams. Students will be involved in collecting and re-distributing of consumable food for low income families/individuals; as well as conducting group projects which address the issues of food waste and environmental sustainability.
Whom will students serve?	Low-income families and individuals
Where will students serve?	Hong Kong
When will students serve?	Students will spend a total of 40 hours to plan and implement community service projects in the local community. Students are expected to spend an average of 3 hours per week on the services. Very often, students have to carry out the community services during weekday evenings, weekends and public holidays.
Fee payable by students	N/A
