Service Project	
What will students do to serve?	At the subject registration, students will register Group 1 (Tutorial group for Hong Kong service team) or Group 2 (Tutorial group for Global service team) based on their preference.  In each tutorial group, students will be divided into inter-professional teams of about 4 or 5 members and taught using a team-based learning approach. Each interactive tutorial group will consist of 20-30 students, during which they plan the service learning projects. They have to communicate directly with the community organization, and plan and conduct the projects under the guidance of mentors, who may be an academic staff from one of the FHSS depts. Examples of projects include conducting health education talks for elderly with cognitive impairment, assessment of balance and mobility for elderly, organizing health assessment for people with physical and/ or mental disabilities or deprived health (e.g. measuring blood pressure, weight and height etc.), designing exercise programmes and organizing recreational activities.(pending for approval)
Whom will students serve?	People with physical/mental disabilities or deprived health in the community (pending for approval)
Where will students serve?	Hong Kong Chinese mainland Province: City: Taiwan Macau Overseas Country: T.B.C. City: T.B.C.
