

The Centre for Gerontological Nursing (CGN) Newsletter

May 2013

Professional Activities of Centre Members

Enid Kwong was invited as a member of Education Committee of Chinese Nursing Association (CNA) in Mainland China by Ms Jiang Xioying who is the Dean of School of Nursing, Fujian Medical University and the Vice President of CNA.

Dr. Kwong attended the 1st Committee meeting and the Conference to celebrate the Nurse Day in Beijing between 7-9 May. Taking this opportunity, she introduced our Centre for Gerontology Nursing for future collaboration in training and research.

A group of SN staff including some of the CGN staff visited the Industrial Center of Poly U on 21-May-2013. The in-charge Dr. Martin Wong and his team kindly shared with us their innovative technology and collaborations with various enterprises. It is hoped to explore collaborative areas for elderly care.

Staff activity

Sylvia Ting and Phyllis Pang have gone to the Hong Kong International Medical Devices and Supplies Fair on 15 May, for better marketing of appliances to be purchased for our coming Gerontological Laboratory.
