香港理工大學眼科視光學診所為公眾人士提供全面的眼科視光服務。作為以教學及科研為本的教學診所，本學院的高年級本科生在診所內接受臨床訓練，從而汲取工作經驗；診所亦支援臨床視覺及眼睛科研工作。

We provide full scope optometry service to the public at The Optometry Clinic of The Hong Kong Polytechnic University. The clinic is one of the university teaching clinics, in which, teaching and research are the key functions. Senior optometry students receive their clinical training and work experience here. The Clinic also supports clinical vision and eye research.

有關收費、開放時間及其他資料，請瀏覽香港理工大學眼科視光學診所的網頁。

For information about charges, opening hour, etc., please visit the website of the School of Optometry.

閣下如需要預約驗眼服務，
