Articulation Challenges

27 November 2020

香港公開大學

THE OPEN UNIVERSITY
OF HONG KONG

- Every year there are about 300 graduates from LiPACE
- Over 99% of the graduates hope to articulate to local Nursing Degree Programmes with UGC-funded places

- 
- Our students are aware of the GPA and interview technique. They have been working hard to achieve their goals.
 - Some of our students have attained good results in Chinese and English Language from DSE.

- 
- Our teaching team consists of 6 experienced registered nurses to foster them to be a competent nurse
 - Our students have already taught many nursing skills.

- 
- Graduates over the years have been admitted to either Year 1 or Year 3 of local nursing degree programmes
 - We hope our graduates have an opportunity to further studies at UGC institutions

Thank You
