SYA Project Credit Transfer Webinar Series - Guidelines for Assessment of Course Equivalency

Local Session

Dr Bin LI,

Associate Professor, Department of Linguistics and
Translation

City University of Hong Kong

binli2@cityu.edu.hk

When students are granted advanced standing,

- Their number of credit units required to obtain a Bachelor's degree will be reduced.
- They will not be entitled to credit transfer on the basis of qualifications attained prior to their admission to the University.
 - They may be granted an exemption from specific courses based on their prior study.

Category	Normative 4-year Degree	Advanced Standing I	Advanced Standing II
1. College/School Requirement and Major Requirement	54-72 credit units, and the major should not be less than 27 credit units		
2. Gateway Education (GE) Requirement	30 credit units	21 credit units	12 credit units
3. Minor	Optional	Optional	Optional
4. Free Electives	Remainder to fulfill the credit requirement for graduation, if any		
Minimum graduation requirements:	120 credit units, subject to the requirements of individual Colleges/Schools	90 credit units, subject to the requirements of individual Colleges/Schools	60 credit units, subject to the requirements of individual Colleges/Schools
Maximum credit unit permitted:	144 credit units	114 credit units	84 credit units

Student returning from outbound exchange

- Transfer of credits may be granted
 - at an appropriate level as recognised by the University
 - Equivalent in content and standard
 - Teaching hours
 - Deliberation by course leader/major or programme leader
