

MRI Lab Demonstration and Capstone Projects Policy

1. Lab Demonstration Policies

UBSN supports the MRI lab demonstration for the courses in the undergraduate programmes. Below are the detailed policies.

1. The lab demonstration is free of charge.
2. The lab demonstration applications (Annex 1) should be submitted at least 8 weeks in advance.
3. No volunteers will be scanned during the MRI lab demonstration.

2. Capstone Projects Policies

UBSN supports a limited number of MRI-related Capstone Projects. Below are the detailed policies.

1. UBSN supports a maximum of 3 MRI-related Capstone Projects per year with a maximum of 1 project per department. If more than one capstone project is submitted from the same department, it will be on a first-come-first-served basis.
2. The maximum acquisition time of each Capstone Project is 10 hours.
3. The scanning fee for Capstone Project is 1600 HKD/hr. The PI should have sufficient funding to complete the whole project.
4. The Capstone Project approval procedure is consistent with other MRI research projects.
5. The project submission deadline:
 - Department of Rehabilitation Sciences: 31st March
 - Department of Chinese and Bilingual Studies: 31st October
 - Department of Health Technology and Informatics: 30th September
